

# MH 311 309 - 24 DC

The logo consists of a dark blue square with the word "HAFNER" in white, uppercase, sans-serif font.

(HU) 3/2-es elektromos, direkt vezérlésű szelep - alaph.zárt - G1/4"

## Technical data

|                                    |                       |
|------------------------------------|-----------------------|
| Port size / Connection             | G 1/4"                |
| Port size   2                      | G 1/4"                |
| Medium                             | Compressed air        |
| Port size   1                      | G 1/4"                |
| Function                           | Monostable            |
| Temperature range                  | -10°C...+50°C         |
| Number of ports                    | 3 ports               |
| Port orientation                   | On two sides          |
| Port size   3                      | G 1/8"                |
| Operating pressure                 | 0...7 bar             |
| Air flow rate (P1=6 bar, ΔP=1 bar) | 200 l/min             |
| Voltage                            | 24 V DC               |
| Mounting type                      | In-line               |
| Power consumption                  | 7,5 W / 8,5 VA        |
| Ways                               | 3/2-ways              |
| Material body                      | Aluminum              |
| Switching time                     | 50 ms   6 bar, +20°C  |
| Actuation                          | Electrically actuated |
