## Technical data

|                                    |                       |
|------------------------------------|-----------------------|
| Port size / Connection             | G 1/2"                |
| Medium                             | Compressed air        |
| Function                           | Monostable            |
| Temperature range                  | -10°C...+50°C         |
| Port orientation                   | On two sides          |
| Operating pressure                 | 2...10 bar            |
| Air flow rate (P1=6 bar, ΔP=1 bar) | 3000 l/min            |
| Mounting type                      | In-line               |
| Power consumption                  | 3 W / 5 VA            |
| Ways                               | 3/2-ways              |
| Material body                      | Aluminum              |
| Switching time                     | 50 ms   6 bar, +20°C  |
| Actuation                          | Electrically actuated |
